- **Gross Skins** - \$40 Cash buy-in per player. This contest is ‘optional.’ Usually 95%+ of the tournament field buys in.
- **Net Super-Skins** - \$40 Cash buy-in per player. This contest is ‘optional.’ Usually 99% of the tournament field buys in.
- **Flight Money** - This is run amongst Members and Guests ‘on their own.’ Typically, the top team in each flight coordinates the collection. Usually the average buy-in is somewhere around \$150 Cash per player.
- **Practice Round Contests** - \$30 Cash per player for all Practice Round Contests. These contests are for the four Closest to the Pin Contests, Individual Gross Skins and Individual Net Skins. All of these contests are ‘optional.’ Some players may not play in the practice round, however; for those who do, typically 95% buy into these contests.
- **Pitch From The Porch Contest** - \$20 Cash buy-in per player for (2) shots. This contest is ‘optional.’ You may buy-in as many times as you would like. I believe last year we had someone buy-in eight separate times! The majority of the field usually participates at least once. We are expecting a big pot and we have a terrific grand prize this season!
- **16-foot Inflatable Dart Board / Golf Contest** - This contest is ‘optional.’ You may either play for fun OR there will be a \$10 Cash buy-in per person. All participants would hit (6) shots toward the Inflatable Dart Board with their golf club (using Darts scoring rules). We will pay out our top three scores! You may buy-in as many times as you would like.
- **Archery Challenge** - This contest is ‘optional.’ You may either play for fun OR there will be a \$20 Cash buy-in per person. All participants would hit (6) shots toward the target and we will pay out our top three scores! You may buy-in as many time as you would like.
- **Putting Contest** - There is NO Cash entry for this contest. This is included in the tournament team entry fee.
